CENTER FOR MEXICAN AMERICAN STUDIES
OFFICE OF THE DIRECTOR

Three years ago to date the Center for Mexican American Studies at the University of Houston has acquired services provided by Scott Edwards at Cypress Business Services. Scott's skills and expertise has given us a comfort that no matter how large or small of a job we hand out, we are always pleased with the end results. Knowing that our photos are handled with care and how he brings a photo to life with just the right frame & matte always shows us the time and effort he puts into each piece. With the economy these days, Scott always takes our budget into consideration and time after time has provided us with exceptional service. Without any doubt we truly recommend Scott and his services at Cypress Business Services for any custom picture framing.
